

G G G A G G G G G G A

The image shows a sequence of ten nucleotide bases: G, G, G, A, G, G, G, G, G, A. Each base is rendered in a large, bold, sans-serif font. The bases G and A are colored orange and green, respectively. Below each base is a horizontal line, colored red, blue, or green, representing a sugar-phosphate backbone. The sequence is arranged horizontally from left to right.
