

A C G G T C G T

A sequence logo for the DNA sequence A C G G T C G T. The letters are colored: A (green), C (blue), G (orange), G (orange), T (red), C (blue), G (orange), T (red). Below each letter are horizontal lines representing the relative frequency of other nucleotides at that position. The colors used are green for A, blue for C, orange for G, and red for T.
