

G T G A C T A A T C

The image displays a DNA double helix structure. The top strand is composed of the following nucleotides: G (yellow), T (red), G (yellow), A (green), C (blue), T (red), A (green), A (green), T (red), and C (blue). The bottom strand is composed of the following nucleotides: C (blue), A (green), C (blue), G (yellow), G (yellow), A (green), T (red), T (red), A (green), and G (yellow). The base pairs are G-C, T-A, G-C, A-G, C-G, T-A, A-T, A-T, T-A, and C-G.
